## Whatever the Weather 'WOW' Day

Dear Parents

As part of our new topic for the autumn term, we would like to begin with a WOW day where every child will be involved in a variety of activities linked to the different seasons. The WOW day will take place on **Monday 16 September 2019**.

During the day, we will be doing a selection of art and craft activities based around each season. We are asking the children to **come dressed for Summer**. We will be finishing the day with a Summer photo and the children will be able to enjoy an ice-pop. Please let your child's teacher know if this would be unsuitable for any reason.

Thank you for your on-going support.

Yours sincerely
