Today we are going to practise our tricky words.

Let's start with our favourite tricky word songs!

Now practise reading your tricky words, you could use your keyring words, flashcards or play a game online, how about playing Tricky Word Trucks on Phonics Play?

### Tricky Word Hunt

Ask a grown up to hide the tricky words all around the house/ garden. Get a clipboard or notepad, go on a hunt for the tricky words. Each time you find a word, read it and write it down, can you find them all?
