Creating our Pathways

"Show me your way, Lord teach me your paths"

Psalm 25.4

- We drive cars that are very big through anything

Almondsbury

Church of England Primary School

Creating our Pathways

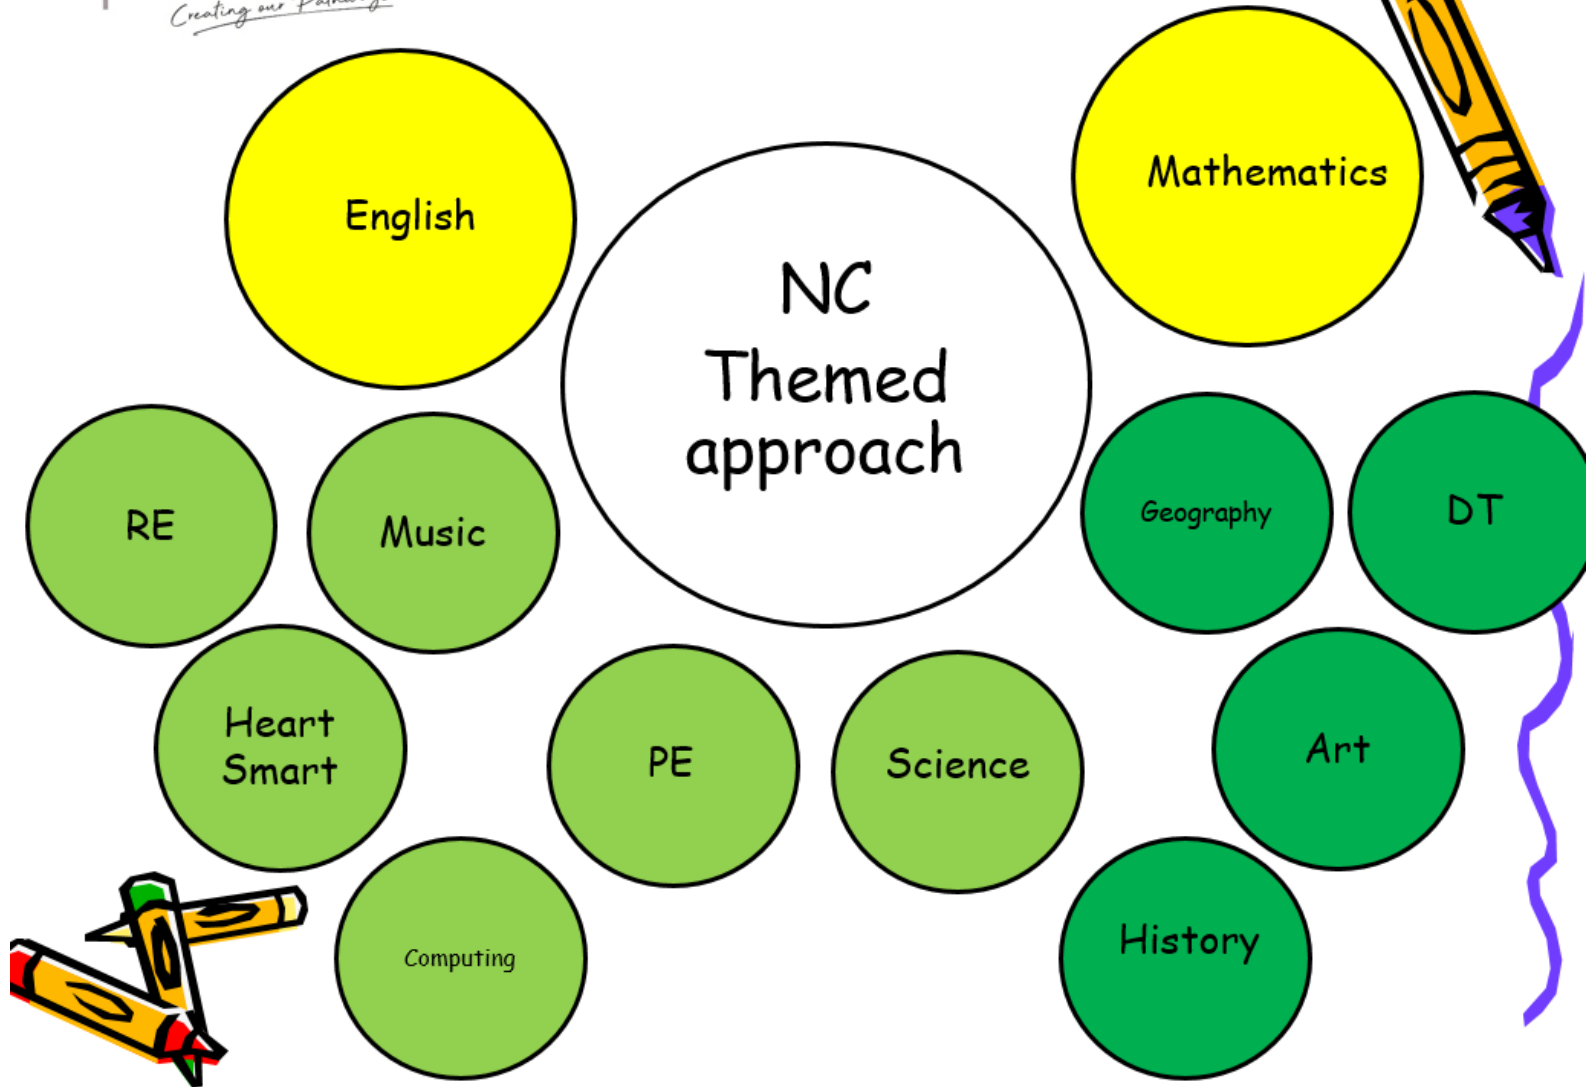

- We use our vision as the main tool to drive our quality of education. We believe that everyone has the potential to do their very best and create their own pathways through life to take them any where and do anything they want to.

Who's Who

- Our class TA is Mrs Brooks.
- Miss Heaps is our reading TA (Thursdays)
- **Thursday afternoons:**
 - PE – Future stars
 - Music - Mrs Bowen
 -
 - Forest School –

Quality Texts

Traction Man

This section gives suggestions for age-appropriate novels and non-fiction books linked to the topic. We may use these in class too.

Our 'Talk Like an Expert' section gives you examples of the subject-specific vocabulary we will be using each term. The more the children can be hearing and using these words, the better. Try sticking it to your fridge and talking about the words together or having a 'word of the day' challenge in your family!

Year 1 Phonics

What is ELS?

Essential Letters and Sounds (ELS) is our chosen phonics programme

Children will experience the joy of books and language whilst rapidly acquiring the skills they need to become fluent independent readers and writers.

What is Phonics?

A method of teaching beginners to read and pronounce words by learning to associate letters or letter groups with the sounds they represent.

There are 44 main sounds in the English Language. Each sound is represented by a grapheme (the written representation of a sound).

Homework in KS1

- Reading at home, books changed every Thursday and library books are changed every Tuesday
- Numbots

KS1 READING REWARDS

25 reads – certificate

50 reads – sticker

75 reads – bookmark

150 reads a book

200 snapband

250 badge

How can you help at home?

- Encourage your children to get dressed themselves
- Talk about the books whilst you're reading to enhance understanding and enjoyment. Make it a positive experience
- Read school reading book
- Practise phonic sounds
- Enjoy bedtime stories together
- Visit the library
- Play games, encouraging turn taking, winning and losing
- Telling the time

Our Golden Rules

Golden Rules:

Ready

Respectful

Safe

Ready:

we are always ready to learn, listen and help.

Respectful:

we are respectful of all people and property within our school community.

Safe:

we act and move in a way that keeps ourselves and others safe at all times.

Oracy

Give Me 5!

1  Eyes are looking at the person talking.

2  Ears are listening.

3  Mouth is closed.

4  Body is still, upright and faces the speaker.

5  Brain is ready to learn.

Attendance

- Attendance is most important to ensure that all children achieve their full potential and make the most of their time at school.
-
- Punctuality is also crucial to ensure children have the maximum time in school and do not miss vital starts to lessons each day.

Attendance

- From 19 August '24 a new DFE government attendance guidance and policy came into force. Once governors have approved the new policy for the school this will be shared with parents.
- However, the main points are these:
 - - new rules regarding term time absence and fines for term time holidays.
 - new rules regarding expectations on attendance by parents and engagement with school processes.
 - new procedures by school to begin discussions regarding attendance straight away.

Online Safety

At school:

We teach the children how to be safe online, how to use the internet responsibly and closely monitor their use.

At home:

We need you to reinforce what is being taught at school, know what applications are age appropriate and closely monitor your child's use of the internet.

Instagram

Facebook

Snapchat

Musical.ly

All of these applications have age limits.
Children must be 13 years old to use them!

WhatsApp

Whatsapp

YouTube

Fortnite

USE OF THE INTERNET

Children get the opportunity to develop their internet skills in all subject areas. They are taught how to use the internet safely and how some information found on the internet can be unreliable. During Computing lessons children have specific E-safety lessons. They are taught the SMART e-safety rules as well as being taught online research and note taking skills.

As a duty of care, teaching staff will inform a member of the Senior Leadership Team or a member of the Computing Team if they have evidence of children using websites or applications that are not appropriate for them. This includes sites and applications that children are using at home. The Computing Team or SLT will follow this up with both the child and parent and report the child to the company concerned.

Many websites have an age restriction of 13 and over, and are therefore not suitable for any Primary aged children.

The following applications/sites are examples and are not an exhaustive list.

Application/Site	Age Restriction
Musical.ly	age limit 13+
Fortnite	age limit 12+
Instagram	age limit 13+
Facebook	age limit 13+
WhatsApp	age limit 13+
Snapchat	age limit 13+
YouTube channel	age limit 13+
Minecraft	has two age limit settings 7+ & 13+

School Policy
There is a clear section in our Computing policy that addresses use of the internet.

Please ask if you have any other queries.
