Quality Texts

Paddington by Michael Bond

The Queen's Handbag/

The Queen's Hat by Steve Antony

This section gives suggestions for age-appropriate novels and non-fiction books linked to the topic. We may use these in class too.

Our 'Talk Like an Expert' section gives you examples of the subject-specific vocabulary we will be using each term. The more the children can be hearing and using these words, the better. Try sticking it to your fridge and talking about the words together or having a 'word of the day' challenge in your family!

PE days/Kit requirements

- PE is on a Mondays and Thursdays.
- It is essential that children wear their full kit on these days.
- Jewellery is not permitted. Stud earrings need to be removed or taped over before school.

Year 1 Phonics

What is ELS?

Essential Letters and Sounds (ELS) is our chosen phonics programme

Children will experience the joy of books and language whilst rapidly acquiring the skills they need to become fluent independent readers and writers.

What is Phonics?

A method of teaching beginners to read and pronounce words by learning to associate letters or letter groups with the sounds they represent.

There are 44 main sounds in the English Language. Each sound is represented by a grapheme (the written representation of a sound).

play all day

Are we going to the park to play?

lay

AUTUMN | WEEK 3 | DAY 1

Write the grapheme.

ay

Write the word.

house

Read the words. Match the words to the pictures.

display spray play

Read the sentences.

Put the paint in your tray.
Is it going to rain today?
Let's go and play!

Write the sentence you hear.

Year 1 Phonics - 1

Below is an overview of the sounds that the children have been looking at this week, with some examples of words that they are found in. Please could you reinforce these sounds with your children when you see them in books that they are reading, if they are writing or possibly as a game to spot a spelling pattern in words.

This week, we have looked at the following sounds:

ay - play all day
ou - a proud cloud
ie - pie on your tie
ea - each have a treat

Can you think of any other words with this sound in it?
Add them to the list below!

ay day spray play tray holiday	ou cloud shout pout ground found
ie tie tried cried tried dried	ea team streak beat teams dream cream treat

Year 2 Spellings

- Year 2 Spelling Patterns
- Daily spelling sessions
- Prefixes and suffixes

Homework in KS1

- Reading at home, books changed every Wednesday for Year 2 and every Friday for Year 1 and library books are changed every Friday.
- Numbots

KS1 READING REWARDS

25 reads – certificate

50 reads – sticker

75 reads – bookmark

100 reads – keyring

150 reads a book

Our Golden Rules

Golden Rules:

Ready

Respectful

Safe

Ready:

we are always ready to
learn, listen and help.

Respectful:

we are respectful of all people
and property within our school
community.

Safe:

we act and move in a way
that keeps ourselves and
others safe at all times.

Give Me 5!

Oracy

What is active listening?

Active listening means we listen with our whole body! We are making an effort to understand what the speaker is saying and how they are feeling.

It makes us feel part of a group and build relationships.

It helps us understand each other.

We learn more.

It feels GOOD!

Universal offer

Our SEND Provision & Universal offer

Our approach; we focus on removing barriers to learning not simply providing additional adult support. Our aim is to equip pupils with the strategies and 'tools' to benefit lifelong learning beyond Almondsbury.

Universal

- High quality, inclusive teaching
- Adapted learning, flexible approaches
- Clear and predictable routines
- Visuals to aid understanding
- Scaffolds and 'chunked' learning
- Low arousal environment
- Emotional regulation & sensory support
- Ongoing teacher assessment

Targeted

- Targeted time-bound intervention
- Small group support
- Individualised strategies and support
- Assisted technology
- Additional brain breaks & movement breaks
- Individual learning plan & review
- SENCo involvement and guidance
- Referral and advice from external professional

Specialist

- Specialist professional involvement
- Specialist assisted technology
- Therapeutic support
- Individualised curriculum
- Alternative Learning Provision
- Education, Health and Care Plan

Attendance

- Attendance is most important to ensure that all children achieve their full potential and make the most of their time at school.
- Punctuality is also crucial to ensure children have the maximum time in school and do not miss vital starts to lessons each day.

Online Safety

- .

At school:

We teach the children how to be safe online, how to use the internet responsibly and closely monitor their use.

At home:

We need you to reinforce what is being taught at school, know what applications are age appropriate and closely monitor your child's use of the internet.

Use of the internet

USE OF THE INTERNET

Children get the opportunity to develop their internet skills in all subject areas. They are taught how to use the internet safely and how some information found on the internet can be unreliable. During Computing lessons children have specific E-safety lessons. They are taught the SMART e-safety rules as well as being taught online research and note taking skills.

As a duty of care, teaching staff will inform a member of the Senior Leadership Team or a member of the Computing Team if they have evidence of children using websites or applications that are not appropriate for them. This includes sites and applications that children are using at home. The Computing Team or SLT will follow this up with both the child and parent and report the child to the company concerned.

Many websites have an age restriction of 13 and over, and are therefore not suitable for any Primary aged children.

The following applications/sites are examples and are not an exhaustive list.

Application/Site	Age Restriction
Musical.ly	age limit 13+
Fortnite	age limit 12+
Instagram	age limit 13+
Facebook	age limit 13+
WhatsApp	age limit 13+
Snapchat	age limit 13+
YouTube channel	age limit 13+
Minecraft	has two age limit settings 7+ & 13+

School Policy
There is a clear section in our Computing policy that addresses use of the internet.

Instagram

Facebook

Snapchat

Musical.ly

All of these applications have age limits.
Children must be 13 years old to use them!

Use of AI

Use of AI

6. EDUCATING PUPILS AT AI

At Almondsbury CE Primary School, we acknowledge that pupils benefit from a knowledge-rich curriculum that allows them to become well-informed users of technology and understand its impact on society. Strong foundational knowledge will ensure that pupils develop the right skills to make the best use of generative AI.

Pupils are taught about the potential benefits of using AI tools to aid their learning, while also covering subjects such as:

- Creating and using digital content safely and responsibly
- The limitations, reliability and potential bias of generative AI
- How information on the internet is organised and ranked
- Online safety to protect against harmful or misleading content

7. USE OF AI BY PUPILS

Most AI tools have age restrictions in place, with the minimum age being set at 13+. Whilst we recognise that AI has many uses to help pupils learn, we do not allow pupils to use AI tools at Almondsbury CE Primary School unless deemed by the Safeguarding Team as safe to do so.

There is a clear section in our AI policy that addresses use of AI by both children and parents.

Parents

At Almondsbury CE Primary School, we recognise that AI is a useful tool to support parents to support their children with homework. While AI can be used for research and brainstorming, it should not do the thinking for the pupil. Passing off AI-generated work as a pupil's own work violates academic integrity. It is recommended that parents use the recommended AI tools from Appendix 1.

Parents should ensure children use age-appropriate AI tools (please see section 7).
