Transition – Coping with Change

Do you have a child that is moving from primary to secondary school?
This course is designed to help with the transition and will help:

- Parents to feel more confident in supporting their child in the run up to, and through the transition to secondary school
- Equip parents with practical skills for supporting transition including supporting at home
- Raise awareness of the necessary skills children will need for any kind of change and provide strategies for developing these
- Equip children with the knowledge and means to develop the necessary skills for change, focusing on transition to secondary
- Identify children who would benefit from attending a summer transition programme to further develop and embed necessary skills

Where:	Online - You will need to have access to technology and the internet in order to follow the course online and to take part in video conferencing using Zoom; we are able to provide you support with this so do speak to us when you enquire/enrol.
How long:	4 weeks
Starts:	Monday 27 th April 2020, 13.30pm-14.30pm
